T. permutus nom. n. is proposed for preoccupied specific name, *Trimerus lobatus* Tomczykowa, 1975, Silurian trilobite of Poland. The name *Homalonotus lobatus* introduced by Prouty (1923) for trilobite from Silurian of Maryland, appeared to be a junior synonym of *Trimerus delphinocephalus* Green, 1832, as the name for juvenile stages.
