

**Volume 40 Number 1** (published April 1995)

**Adam Urbanek**

Phyletic evolution of the latest Ludlow spinose monograptids . . . . . 1-17

**Jarosław Stolarski**

Ontogenetic development of the thecal structures  
in caryophylliine scleractinian corals . . . . . 19-44

**Peter P. Gambaryan and Zofia Kielan-Jaworowska**

Masticatory musculature of Asian taeniolabidoid  
multituberculate mammals . . . . . 45-108

**Paper reviews** . . . . . 18, 109-110

**Volume 40 Number 2** (published July 1995)

**Richard D. Hoare and Royal H. Mapes**

Relationships of the Devonian *Strobilepis*  
and related Pennsylvanian problematica . . . . . 111-128

**Andrzej Baliński**

Devonian athyridoid brachiopods with double spiralia . . . . . 129-148

**Denise Sigogneau-Russell**

Two possibly aquatic triconodont mammals  
from the Early Cretaceous of Morocco . . . . . 149-162

**Joe S.H. Collins, René H.B. Fraaye, and John W.M. Jagt**

Late Cretaceous anomurans and brachyurans  
from the Maastrichtian type area . . . . . 165-210

**Paper reviews** . . . . . 163-164

**Editorial note** . . . . . 211-212

**Volume 40 Number 3** (published October 1995)

**Chen Jun-yuan, Zhu Mao-yan, and Zhou Gui-qing**

The Early Cambrian medusiform metazoan *Eldonia*  
from the Chengjiang Lagerstätte . . . . . 213-244

**Denise Sigogneau-Russell and Renate Hahn**

Reassessment of the late Triassic  
symmetrodont mammal *Woutersia* ..... 245–260

**Anna Kozłowska-Dawidziuk**

Silurian retiolitids of the East European Platform ..... 261–326

**Krzysztof Stefaniak**

Late Pliocene cervids from Węże 2 in southern Poland ..... 327–340

**Volume 40 Number 4** (published December 1995)**Jerzy Dzik**

*Yunnanozoon* and the ancestry of chordates ..... 341–360

**Elżbieta Morycowa and Ewa Roniewicz**

Microstructural disparity between Recent fungiine  
and Mesozoic microsolenine scleractinian ..... 361–385

**Gregory A. Buckley**

The multituberculate *Catopsalis* from the early Paleocene  
of the Crazy Mountains Basin in Montana ..... 389–398

**Tatjana L. Modzalevskaya and Leonid E. Popov**

Earliest Silurian articulate brachiopods  
from central Kazakhstan ..... 399–426

**Olga K. Bogolepova and Charles Hepworth Holland**

Concentrations of Silurian nautiloid cephalopods  
from Russia and Kazakhstan ..... 429–436

**Paper review** ..... 387–388

**Book review** ..... 427–428

**Brief report** ..... 437–440

**Contents** ..... 441–442
